

Bollard Cover R-7322

General Description:

The R-7322 stainless steel bollard cover offers stylish protection for smaller security posts up to 3-1/2 inches wide and 34 inches tall. Bollard covers protect steel pipes from wear and corrosion, and increase aesthetic appeal. Covers are made from corrosion-resistant 316 stainless steel. Optional powder coating is available in 1 of 6 standard colors.

Specifications:

Height: 36"
 Base Diameter: 4 1/2"
 Weight: 17 lbs (Bollard Only)
 Material: Stainless Steel 316
 Max. Interior Security Post Size:
 3 1/2" x 34" (Diameter x Height)

Finish Options:

- ☉ Satin #6 Buffed
- Polyester Powdercoated (Additional service charge)

See Reliance Foundry's standard color options at:

Care and Maintenance:

Despite its natural anti-corrosion properties, stainless steel may corrode if cautionary procedures are not followed, or if products are neglected for extended periods of time. High-saline environments or other areas with high exposure to chlorides may increase risk of stainless steel corrosion. Regular cleaning will maintain optimal condition and appearance.

See Reliance Foundry's maintenance guide at:
www.reliance-foundry.com/bollard/stainless-steel-maintenance

Notes:

- 1) Bollard cover is provided as shown. Concrete, foundation and/or installation ordered separately or provided by others.
- 2) Minimum foundation sizes depend on local soil conditions, weather conditions, and engineering requirements.
- 3) Dimensions provided herein is for reference only. Please consult Reliance Foundry sales professionals if any dimension is critical to your particular installation.
- 4) Reliance Foundry reserves the right to amend design and specifications without prior notice for product improvement.
