# Removable Bollard Receiver with Securing Chain

General Description:

Removable bollard receivers with securing chains accommodate all Reliance Foundry R-79xx and R-89xx posts. Use padlocked chains to fasten bollards. When bollards are removed, chains can be stored inside receivers and concealed with a protective cover to prevent tripping or obstruction. Use removable mountings for multi-use spaces with a variety of day-to-day or seasonal applications. Standard mountings feature galvanized steel receivers and stainless steel chains. Stainless steel housings are also available. NOTE: Covers and padlocks are sold separately.
